

*This year, give joy
in a box at
Christmas*

It's not too early to think about Christmas ~ what will you give then?

'Joy-in-a-box' is an opportunity for people here to send a small parcel of gifts to needy families and individuals in Romania. Your boxes will be taken to Romania and fairly distributed by our experienced team in time to bring joy at Christmas.

Priceless gifts that won't cost a packet

Priceless because the recipients may not get any other gifts at Christmas. It won't cost a packet because a shoebox is about the right size and the contents are probably in your shopping already: sweets, cosmetics, stationery. Get a checklist from your Co-ordinator to see what's permitted by Romanian regulations.

Help us to help others

If you wish, include a photograph and a Christmas card or letter so the recipient can reply. Then give your box to your local co-ordinator who will arrange for it to be delivered to our central warehouse near Gatwick Airport free of charge. We will arrange transport to Romania but we do need £1 per box as a contribution to the cost of transport to Romania.
